“ Every once in a while, I look for my old friends. I was looking for my friend today, as the New Year is about to begin and I saw this. Wow, my heart is shattered. He was a kind person. Who I will miss dearly. Rest well my friend. Just as you remember the first teacher you had, Aaron was the first Love of my life at 13. My Friend in Life, My Friend when we meet again. I pray his siblings and Family finds comfort in having shared such a wonderful soul for the tie God allowed.

“ Today I learned that the world lost a gentle soul, and me a dear friend. Rest in peace amigo. You will be miss, you were in my thoughts, and you will always be in my thoughts. Alejandro
