“ *Dear Linton Family!! Calvin and I have been best friends since early elementary school, 3rd, and 4th grade at Gompers.. He has always been and will remain my dearest friend. We laughed immensely every time we spoke to one another. This was very often. We never ended a conversation between us without saying I love you friend!!!! My heart is crushed as I spoke with Calvin just a week before he passed. He called me and I sat in a parking lot for an hour to listen to him and made him laugh like never before. That was my job that day. I thank him for calling his friend at that moment. What a gift I will treasure. Most importantly He was a kind, special And loving human being that loved his family very much.*

I share in your loss. It's a loss of monumental proportions for us all. My life will always have a huge void because I won't have my best friend to call on in the same way. God bless your family. My prayers are with you.
