“ *To all of us
Grief is not a sign of weakness nor lack of faith. It is a healing process. There is no wrong way to grieve. Grief only exist where love first lived, and little by little we let go of the loss, but never the love. We're going to be sad, angry, withdrawn, regretful, weak, in shock, numb, stressed, depressed, and heartbroken. We are going to cry. But we should feel blessed that we have someone that makes our goodbyes so hard. We may never get over it but we'll get through it.*

“ *Blessed to have known you
Grateful you were part of me
Honored I was a part of you
Our special bond
Our good times and memories
It will always be, not you or me
But us and we*

*Forever in my heart,
Chrissy*
