“ My name is Matayah and Destiny meant the world to me... i think about her everyday in and out... i seen her on November 4 2020 and i ft her the 6th and i didnt get a answer i was wondering what was wrong but i called her so late so i thought she was sleeping so i left her alone i went to sleep..and 2 days later i seen one of my cousins post her on instagram and it broke my heart,,, still dont believe it... im so sorry this happened i wish i could have called her or text her again but i always try to think about it as a positive way...
