“ I miss your morning messages I miss our late night talks I miss sleeping in your arm I miss your goofy laugh and your high kicks I miss hearing your footsteps throughout the house I miss catching u late at night in the kitchen eating all the snacks . I miss knocking on the bathroom door telling u let me in so we can talk and u would laugh and say get outta hear u left a huge hole in my heart but a bigger impact on my life. Thank you for loving us how u did thank u for always telling me I can do whatever I set my heart on . I live on bc your love holds me up u are my strength and will forever be my heart . Wait for me so we can dance together once again in the kingdom like we always planned. I'll hold u w me forever until we're blessed to meet again my baby. AS LONG AS MY HEART BEATS IT WILL BEAT WITH EVERLASTING LOVE FOR YOU .I love u w my whole soul and that will nvr change .

I will love you forever ❤️

Your Fiancé
