“ I met Evelyn in 1979 we worked together at Penn Mutual Insurance. She was always there for everyone. She help me when my daughter Jasmine was born. She came over after work to watch how I was putting on the alcohol on my daughter's navel. I just put a dab she took the alcohol and cotton and soaked the area. She said she can't feel it and the next day the cord dropped off. That's the kind of person she was. And her cakes was the best. I had no idea she passed. She was on my mind today and I looked online and saw her picture. God Bless the family and Evelyn had a lot of Friends I don't think the Lincoln Field would be big enough. Heaven has Angel one of the best ❤️
