“ *Dear Brother Gene your memory will never fade my dear brother now that you're gone you're no longer here to share the bond we had together A bond of love & care yet somehow. Something tell me you are watching over me - now that from wordly cares you are finally free I miss you so very much, & my tears I cannot hide yet , within my heart , I feel you are always by my side yet it comfort me to know that one day we will meet again Love you Bro.*

“ *In loving memory of my Brother Gene my dear Brother your memory will never Fade. My dear brother now that you are gone you're no longer here to share the bond we had together A bond of love and care. Yet, some how some things tell me you are watching over me- now that from worldly cares you finally are free. I miss you so very much, And my tears I cannot hide yet, with in my heart, I feel you are always by my side Ever since you went away life has never been the same yet, it comfort me to know That one day we will meet again*
