“ He was a very close friend. He would cook meals for me often. We had so many good times at his and my sister Diana’s home. Grafton loved the Lord. His love for Jesus and his wife, Diana, his children his family, and his brothers and sisters in Christ, made him a very content man. See you at the east gate my brother. Much peace and love to Diana and his family. Thank you Lord for send me such a good friend, Grafton. Sorry it took so long for me to write something. Grafton was a beautiful person. When Jesus comes in the clouds, his very soon second coming, Grafton will take his next breath. Our hope. Our soon coming King❤️

God bless  
Larry

“ Dear Diana and Family, Grafton was my little brother even though I am only 5 feet tall because I am older. (smile) I will miss my little brother, his big booming voice, his passion for Jesus and his gift of music. He was always willing to share Jesus with everyone. One of my fondest moments is when I groomed him to be Head of Visitation Ministry. He always said I tricked him and we would have a good laugh about it because he loved visitation and accepted the position of Head of the ministry. I know he is sleeping in Jesus so we have the hope of seeing him again. May Almighty God bless you all and keep you in His tender loving care today and always. Love you all and God bless! Susan Mayo
