“ At first, I liked Kevin mainly because he was married to my cousin, Pam and they seemed so happy. I never took the time to get to know Kevin well. I should have, but I didn't and I have my regrets... however, I did read his Facebook posts regularly. Through his posts I learned that he has strong connections with his family and his friends and that those relationships are very special. To Pam, Kevon and to all who know and love Kevin, I am sure that his passing is a great and almost unspeakable loss. I hope that his spirit and his legacy will provide comfort and strength in the days ahead. Lastly, I'd like to say this in Kevin's honor, Fly Eagles Fly!
Love,
Kevin, Ann, Kima and Lil Kev
