“ To My Beautiful, Courageous Mother Marie.
May You REST IN PARADISE~! ”

No one can prepare you for that exact moment of hearing "she's gone", the news of losing a mother, but what I can say mom is that you prepared me to continue your legacy and celebrate the fulfilled life you lived here on earth.

I understand that you must continue to journey on to the next phase of life, (Afterlife). I have accepted your grace of exit for the purpose of beginning your spiritual life in a brand-new universe, I am 1000% sure you will shower others with your charm, charisma, good taste, and poise.

You gifted me with so many memories, it feels as if you are still here, know that your presence is that of no absence. You are my superwoman, my breath of fresh air, my freshly cut wildflower, and my best friend.

As I mourn each morning, I know brighter days are ahead, you will forever be close to my beating heart, and just a beautiful memory away.

P.S. After I receive my crown & angel wings, I know you will meet me at the intersection of welcome to paradise, and together we will cross into the gates of heaven.

I Love You Forever, Your Daughter
