“ Dear Robin, Please accept my very sincere condolences about the passing of your Mom. I am Barbara Williamson, daughter of Gertrude Williamson. We lived at 2538 N. Hollywood St. I am just now receiving the news of your Mom's passing - someone with the return address of 1400 Roosevelt Blvd. mailed me a copy of the obituary (no note). I am very grateful. Throughout all of the decades when both your family and mine have not lived on Hollywood St., your Mom kept in contact with my Mother. When my Mother passed away in 2017, your Mom then began to stay in contact with me. I was so grateful for this contact. Your Mom knew everybody from the neighborhood, and everything about them. She had a phenomenal memory. Sharing this information helped us to still feel in touch with our past neighbors, and it enabled us to attend homegoing services for those who passed away. This was truly a gift. Robin, it was just after Thanksgiving when I wanted to call your Mom. I dialed the last number I had...and then I hung up. I felt quite unsettled and then thought to myself, wait...how do I know Mrs. Drewery is even with us? As I now know, your Mom had just passed over. God's hand is in everything, Robin. Your Mom was a very good friend to my Mom, and she was always gracious and kind to me when we talked. I love her for that. God will continue to bless you and your family family. I know you have many wonderful memories to cherish, and they will give you solace. We will always miss our Moms. I miss mine, and I know you will always think about, love, and miss yours, too. Take good care.
