“ *Michelle was a character to say the least. She was soooooo funny. I worked with her at Job Corps for about 5 years. There was never a dull moment when she was around. She was quirky urban and hilarious without even trying. Always full of energy and life. Even with her sharp tongue she had a sense of sensitivity, she just said things matter.of factly as it came to her mind. I spoke with her in November and she was in good spirits and determined to live. And she will forever live in my heart and spark a smile when thought of in my mind. She will be remembered. LoJo*
