“ *Willa was beautiful, statuesque and a fierce champion for her family. She was never afraid to tell you what she thought and we always knew what she said was straight from the heart. She loved to laugh, she loved her life, and made sure her family knew how much she loved them. I will miss your wit and oh my goodness that laughter. Our prayers are with you on this final journey.*

“ *I met Willa through my sister Deborah Brewer. We began to develop a fun filled friendship. Since moving to NC, our friendship became distanced but we never forgot each other. May the grace of God comfort you during your bereavement.*

“ The last time I spoke with my Auntie I had called to check on her to see how she was doing. We talked for a good 20/30 minutes. I couldn't tell you what we talked about but we were chatting and laughing, having a good time. The conversation was so enjoyable and lighthearted toward the end of our conversation I exclaimed "well you sound good"! Without missing a beat, she exclaimed back "I FEEL GOOD"!

Until we meet again, I will smile every time I recall our last conversation knowing you were in good spirits. I have wonderful memories of our interactions throughout my life. You ARE a beautiful soul and I was lucky to have you in my life.

I'll miss you Auntie. Rest well. I love you!!!
