“ My heart is broken for the loss of Willie Mae. From the moment we met almost 40 years ago. She became my family. We were more than just best friends despite our age difference. Sue was my other mother, my ride or die. Our families embraced each other with unconditional love. She knew all my secrets. She was my rock. Sue loved me for me she never judged. I have the most wonderful memories of all our good times. All our car rides to and from work listening to her gospel music. All our crazy laughter the big smile Sue always had. I'm grateful my Sue got her wings and is home free of pain and suffering. She will forever live on in my heart. I love you Suz 🙏❤️ Debbi Radano and family.
